25X1A

MEMORANDUM FOR:

ATTENTION :

25X1A

1. Per your request to [redacted] OLC, to have the GAO report on the proposed sale of Air Asia reviewed by appropriate Agency people to determine whether or not some sterilization might be required, a copy of the report was made available to Cover and Commercial Staff.

2. After reviewing the document, Cover and Commercial Staff reports that there is nothing contained which should create problems since no other Agency proprietaries or activities or names of cooperating firms are divulged. In summary, there should be no issue in GAO providing the report to the Pike Committee or Congressman Brooks.
